

## Facings

A range of alternative door facings are available as finishings for the Mini Fire Doors.

Plywood or MDF  
finish

### Flush Panel Doors

Flush panel doors are faced with plywood or Medium Density Fibre (MDF) sheets on both sides of the door for ratings up to 1 hour. For fire doors requiring 2 hour fire rating, the door leaves are faced with Trafalgar Flame Retardant Treated Plywood.

moulded HDF  
finish

### Impression Moulded Doors

The moulded panel door is built around E-Core and clad with an embossed wood grain finish, featuring four panels recessed into the core on both sides. With a nominal door leaf thickness of 35 mm, the High Density Fibre (HDF) sheet has a one-piece moulded skin providing a seamless joinery door appearance and a fire rating of 1 hour. Standard door sizes available are:

- 2040 mm high and 720 mm wide
- 2040 mm high and 820 mm wide

Decorative  
mouldings on  
plywood

### Doors with Decorative Moulds

Timber decorative mouldings can be bonded to plywood facings for standard 35 mm thick flush panel doors with fire ratings up to 2 hours.

## Facings

E-Core Maxi Fire Door leaves can be finished with:

Plywood

Medium Density Fibre (MDF) board

Acrovyn (plastic laminate)

Formica (plastic laminate)

Fire Rated Laminex (plastic laminate)

Mild steel (zincanneal and galvabond)

Colorbond

Stainless steel

Aluminium

For further information on the optional features for Trafalgar E-Core Fire Resistant Doorsets, contact you local Trafalgar Sales Office.

## Kick Plates

Kick plates are used to protect door leaves from damage and are widely used in hospitals. Being durable and fire resistant, these kick plates can be fixed to both sides of the door leaf up to 1 m high from the bottom of the door leaf.

The approved kick plates are available in various colours and materials to add that finishing touch to public areas and include:

Acrovyn (plastic laminate)

Mild steel (zincanneal and galvabond)

Stainless steel

Kydex 160a (plastic laminate)

IPC Sanparrel (plastic laminate)

For further information on optional features for Trafalgar E-Core Fire Resistant doorsets, contact your local Trafalgar sales office.
